From here, you can add playing partners (Participants). This can be up to 3 additional players.

Either use the drop-down menu or just start typing their name, select and Update Booking.

Once done, all players are part of the overall booking, but it won't show that. Names only appear in the first 30 min booking.

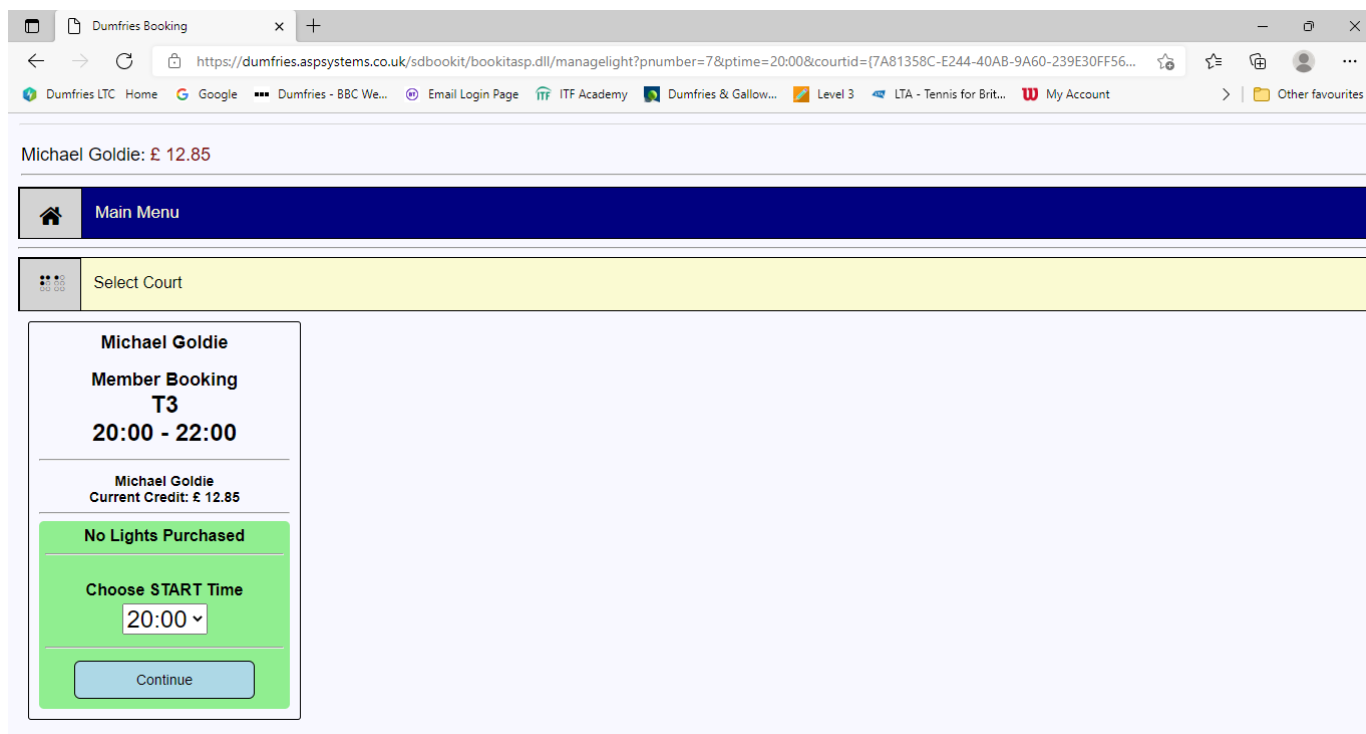

Lights; (These can only be added on your day of play, anytime that day)

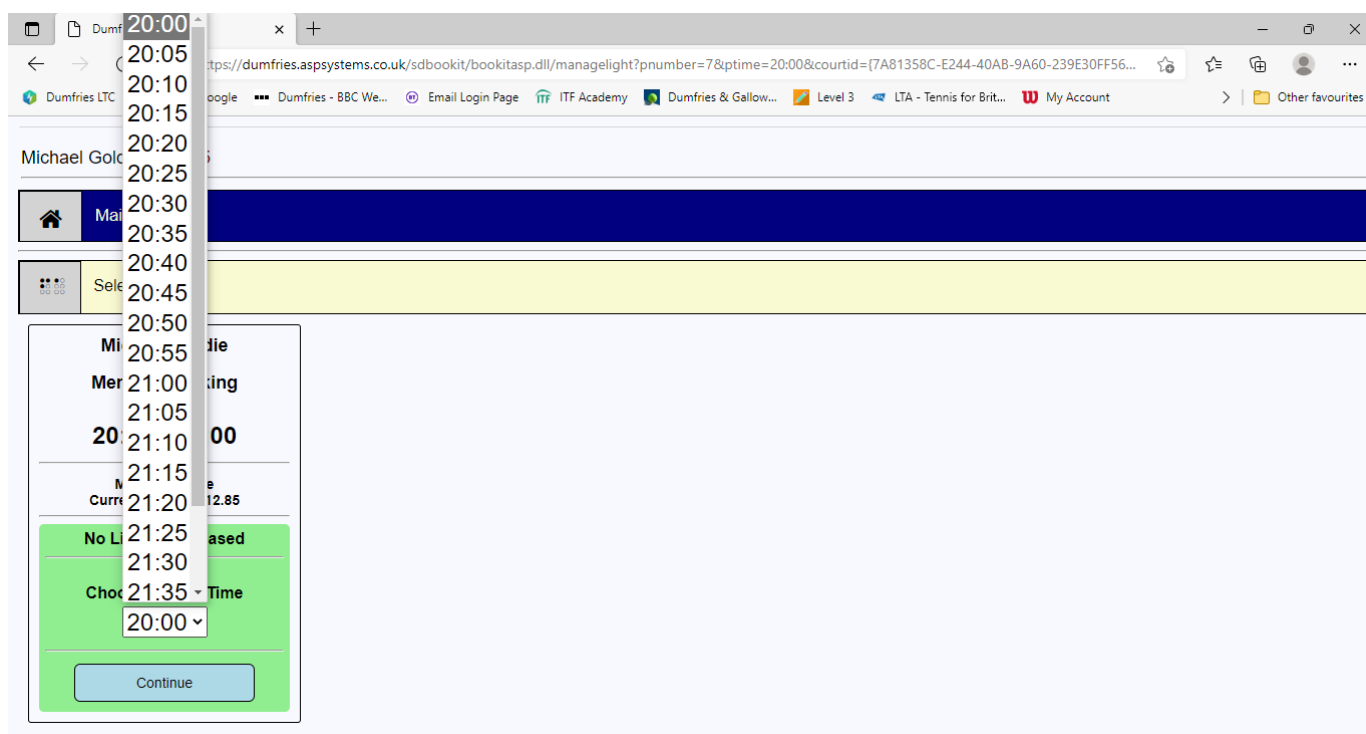

PLEASE note, the light cost is NOT shared automatically once you add players.

Therefore, to share the cost of lights, then Player 1 needs to choose a start time, then a finish time for their booking.

Then player 2 can go in and choose a start time and finish time. Player 2 will only be offered a start time from what player 1 has left. Likewise, players 3 and 4 if needed.

Choose a start time.

The screenshot shows a web browser window with the URL <https://dumfries.aspsystems.co.uk/sdbookit/bookitasp.dll/requesttime?B160595=%7BC66013DC-A162-439C-9D2B-1133D7D47EAB%7D&pnumber=7...>. The page has a dark blue header with a home icon and the text "Main Menu". Below the header is a yellow bar with a grid icon and the text "Select Court". The main content area features a white box with a green border containing the following information:

- Michael Goldie**
- Member Booking**
- T3**
- 20:00 - 22:00**

- Michael Goldie
- Current Credit: £ 12.85

- No Lights Purchased

- START Time Selected
- 20:00**

- Select OFF Time
- 20:05 (£ 0.17) ~

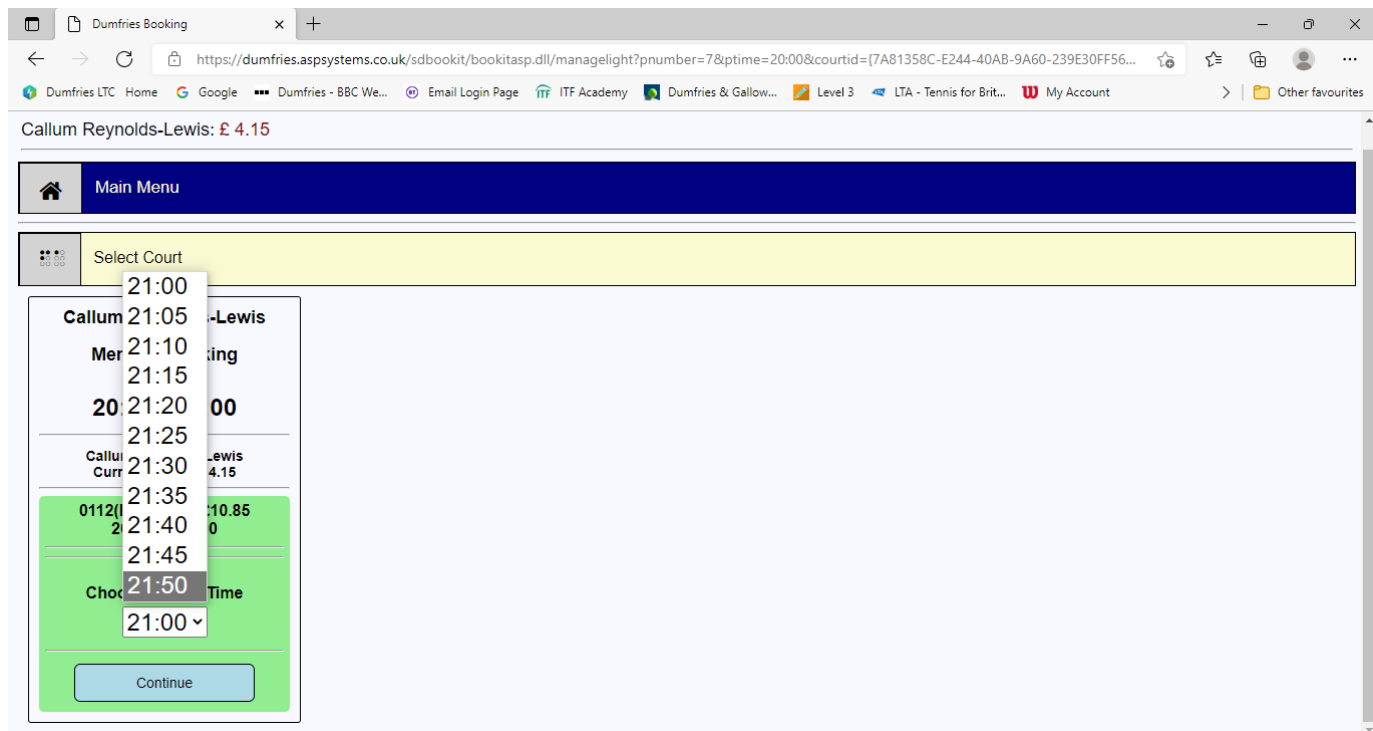

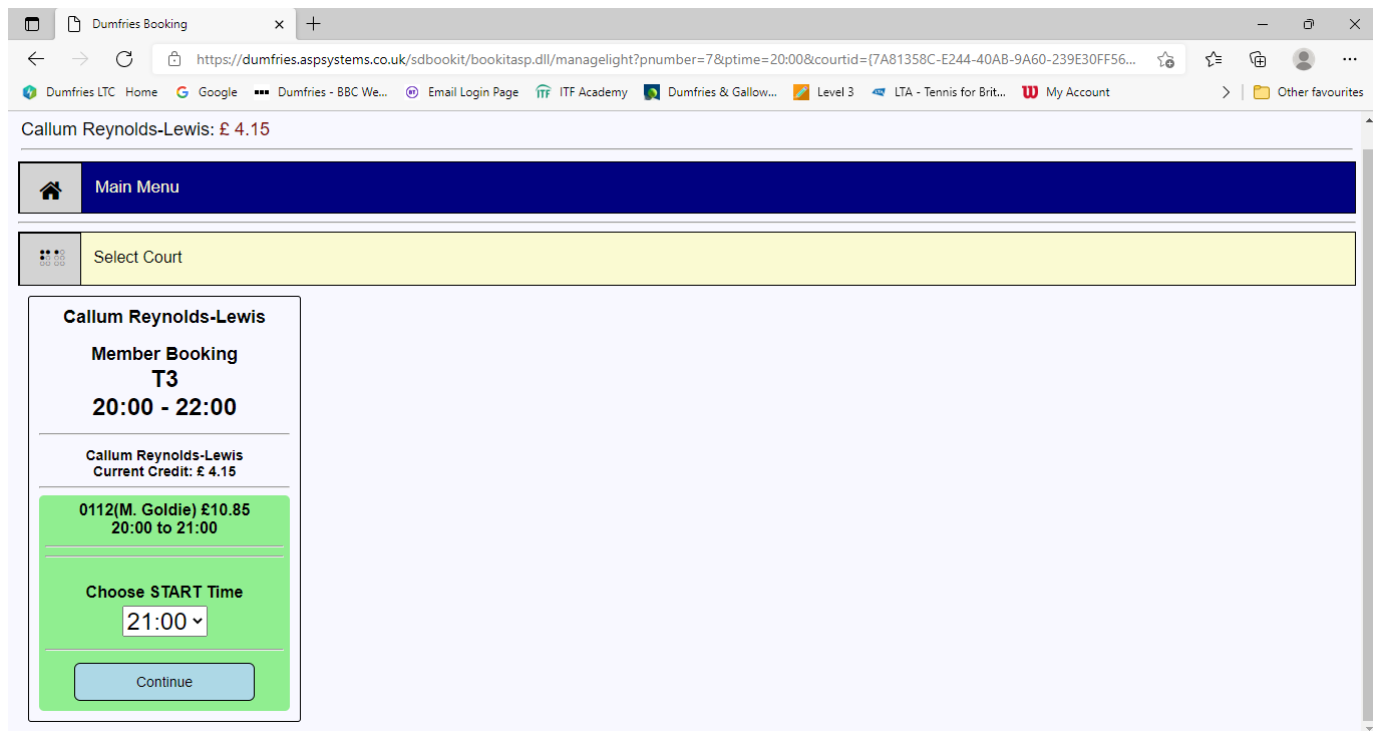

- Buy Lights

Then select an OFF time. One player can pay for all the lights, or they can share by doing above.

This screenshot is identical to the one above, showing the same booking details for Michael Goldie. The only difference is in the "Select OFF Time" dropdown menu, which is now set to 21:00 (£ 2.00). The rest of the page layout, including the header, navigation bar, and booking information, remains the same.

Player 2 then enters their account and their bookings.

They then select a start and finishing time.
